*Please share this form with any potential volunteers ages 15+.* Official volunteer organizations working on behalf of a non-profit will earn \$60 for each full shift or \$30 for each half shift worked. Payment to each organization is sent in September. Volunteers must watch a 20 min. food safety video once every year and sign off when they volunteer. You can watch it at home by clicking [here](#). Please sign or type your name at the bottom of this application to indicate you have done so.

Please indicate all dates and times you would be willing to work this summer as well as the maximum number of nights you want to be scheduled. The more flexible you are on dates and locations, the more likely we will have an opening! Student athletes should be cognizant of fall sports practices in August. Volunteers will be scheduled to help with the pizza making/cutting process and occasionally cashiering. If scheduled to work, you will be entered into our Signup Genius schedule using your email address and receive a confirmation email letting you know when you work. You will also get a reminder email two days prior. Thanks again for partnering with us at Berne! We look forward to working with you!
