The Story of the Passion of Christ is filled with vivid characters, each of whom played an important role in that fateful day. "They Were There" is a series of interviews with five of these characters who are asked about their lives, what led them to that tragic event, and what they would say to us in the 21st century. **This week we hear from Judas.**

**For What Does Faith Lutheran Praise God?**

Faith Lutheran Church praises God for **HOPE**. In the midst of a winter that seems never to break way to spring, we praise God for a sure and certain **HOPE** that assures us that a new day is dawning and new life is forming. May we each hold that truth deep in our hearts.

**Praise God from whom all blessings flow!**
